Professional Title

Associate Professor of Anesthesiology | Board-Certified Anesthesiologist

PROFESSIONAL PROFILE

Experienced academic anesthesiologist with more than two decades of clinical, educational, and administrative experience in anesthesiology. Faculty member of Shahid Beheshti University of Medical Sciences since 2002, with extensive involvement in undergraduate and postgraduate medical education, academic leadership, departmental administration, and medico-legal affairs. Currently serving as Associate Professor of Anesthesiology and Head of the Department of Anesthesiology, actively contributing to clinical practice, resident training, educational program development, and professional governance.

EDUCATION

Board-Certified Specialist in Anesthesiology Shahid Beheshti University of Medical Sciences, Tehran, Iran

2002

Doctor of Medicine (MD) Isfahan University of Medical Sciences, Isfahan, Iran

1995

Achieved a top rank in the Iranian National Board Examination of Anesthesiology

ACADEMIC AND ADMINISTRATIVE APPOINTMENTS

Associate Professor of Anesthesiology

Shahid Beheshti University of Medical Sciences 2012–Present

Assistant Professor of Anesthesiology Shahid Beheshti University of Medical Sciences
2002–2012

Head of the Department of Anesthesiology 2019–Present

Vice Chair for Education, Department of Anesthesiology 2004–2010

Director of University Examination Program 2005–2009

Member, Supreme Council of the Iranian Medical Council

Member, Supreme Disciplinary Board of the Iranian Medical Council

Member, Legal Medicine Commission and Forensic Medicine Expert

CLINICAL APPOINTMENTS

Consultant Anesthesiologist Loghman Hakim Hospital, Tehran, Iran 2002–Present

Head of the Department of Anesthesiology Loghman Hakim Hospital, Tehran, Iran
2019–Present

Fields of Interest

Neuroanesthesia

Airway

Regional anesthesia

TEACHING EXPERIENCE

Shahid Beheshti University of Medical Sciences

Undergraduate medical education in anesthesiology

Clinical teaching and supervision of anesthesiology residents

Clinical training and supervision for the Neuroanesthesia Fellowship

Education and mentorship of undergraduate nurse anesthesia students

Education and supervision of MSc nurse anesthesia students

Teaching and academic supervision of international students

Participation in curriculum development, educational workshops, and clinical training programs

Academic mentoring and research supervision of medical and allied health students

PEER-REVIEWED PUBLICATIONS

A. RANDOMIZED CLINICAL TRIALS

2025

Bupivacaine with methylprednisolone in ESP block reduces postoperative pain and opioid consumption after lumbar spine surgery

2025

Evaluation of Different Doses of Intravenous Magnesium Sulfate on Intraoperative Anesthetic Drugs Usage and Postoperative Pain in Posterior Spinal Fusion Surgery

2025

Assessment of STOP-Bang Test Ability to Predict Postoperative Respiratory and Airway Complications of Supratentorial Craniotomy

2024

A Comparison of Dexmedetomidine and Magnesium Sulfate as an Anesthetic Adjuvant in Trans-Sphenoidal Pituitary Surgery

2024

Use of STOP-BANG Questionnaire to Predict Postoperative Respiratory Complications after Bariatric Surgery

2024

The effect of erector spinae plane block on the use of anesthetic medications in lumbar spine surgery

2023

Estimation of hydrodynamic coefficients and simplification of the depth model of an AUV using CFD and sensitivity analysis

2022

Design of Robust Proportional-(Proportional-Derivative) Controller for an Autonomous Underwater Vehicle Using Quantitative Feedback Theory in the Diving Plane

2022

Evaluation of ultrasound-guided erector spinae plane block efficacy on post-operative pain in lumbar spine surgery: A randomized clinical trial.

2022

Loose tooth, a way to save it: a case report

2022

Development of Chitosan–Tripolyphosphate Nanoparticles as Glycopeptide Antibiotic Reservoirs and Ex Vivo Evaluation for Their Potential to Enhance the Corneal Permeation in

2021

Fanconi anaemia, what anaesthesiologists should consider about

2021

Case Report of Patient Disposition over Surgical Bolsters

2021

Hard and granny tie, nasogastric tube knotted in nasopharynx: a case report

2021

Pulmonary Thromboembolism Following Spine Surgery: Clinical Suspicion is the Key

2021

Feedlot performance, carcass characteristics and economic profits in four Holstein-beef crosses compared with pure-bred Holstein cattle

2021

Assessing the antioxidant activity of dexmedetomidine by measuring the plasma antioxidant enzyme activity of catalase, glutathione peroxidase, and superoxide dismutase during ...

2021

Evaluation Dexmedetomidine effects on serum antioxidants level

2021

Assessing the Effect of Intrathecal Dexmedetomidine on Cerebrospinal Fluid Levels of Apoptotic Factors: A Clinical Trial Study in Lumbar Disc Surgery

2021

Möebius Syndrome, What Anesthesiologist Should Consider About: A Case Report.

2020

Tracheal Intubation Using Nelaton Catheter: A Simple Device, an Airway Rescue Option

2020

Pitfalls in Ventilation Devices

2020

Leprosy, ancient disease and modern Anaesthetic considerations

2020

Anesthetic Management of a Patient with Achondroplasia Undergoing Adenotonsillectomy: A Case Report

2019

Bilateral vocal cord paralysis following 4 th ventricle tumor surgery

2019

Bronchoscopic approach for pulmonary atelectasis management

2019

Comparing the effects of oral oxycodone and intravenous ketorolac on postoperative pain of laparoscopic cholecystectomy

2019

Anesthetic Considerations of Palmoplantar Keratoderma (PPK), a Case Report

2019

Case Report: A short review of the LGMD in a 28 year old lady suffering LGMD undergoing caesarian section

2019

Antioxidative effects of isoflurane and propofol on serum levels of catalase, glutathione and superoxide dismutase in craniotomy for supratentorial tumor

2019

A comparative study in influence of isoflurane and propofol on IL-1, IL-6, TNF- α serum levels after craniotomy for supratentorial brain tumors

2019

Effect of intrapleural meperidine on post-operative pain after open cholecystectomy

2019

Spinal anesthesia for renal transplantation in lung resected patient: a case report

2018

A case report of Anaphylactic shock following hydatid cyst surgery

2018

Anesthetic Management of Cervical Disc Herniation in a Patient with Churg-Strauss Syndrome: A Case Report

2018

Could molecular studies save hydroxyethyl starch from total disappearance

2018

The effect of fluid therapy in acute post-operative complications of breast cancer; pain and post-operative nausea and vomiting

2018

Bilateral Pulmonary Artery Embolism Following Posterior Spinal Surgery

2018

Carbamazepine effects on pain management and serum IL-6, IL-10 evaluation in addicted patients undergoing surgery

2017

Dexmedetomidine could enhance surgical satisfaction in trans-sphenoidal resection of pituitary adenoma

2017

Osteogenesis Imperfecta: Genetic Overview and the Role of Anesthesiologists

2017

Comparison of Spiral Laryngeal Mask Airway (LMA) and Spiral Endo-Tracheal Tube (ETT) on Hypnotic and Narcotic consumption for preservation of steady state of depth of ...

2017

Anesthetic consideration of hereditary spherocytosis

2017

Comparing the outcomes of laryngeal mask airway (LMA) with endotracheal tube (ETT) in vitrectomy case

2017

Anesthetic management of patients with Klippel-Feil syndrome, a case series

2017

Crouzon Syndrome: a fibroblast growth factor receptor 2 gene mutation

2017

A series of awake craniotomy procedures performed in Iran

2016

Anesthesia management of bullous emphysema in patient candidate for craniotomy

2016

Anesthetic consideration of Niemann-Pick disease type C

2016

Intrathecal dexmedetomidine and fentanyl as adjuvant to bupivacaine on duration of spinal block in addicted patients

2016

Syndrome: Case Report

2016

EVALUATING THE EFFECTS OF INHALATIONAL AND INTRAVENOUS ANESTHESIA ON HEMODYNAMIC VARIABLES AND RECOVERY TIME IN DIRECT LARYNGOSCOPY

2016

Comparison of post-operative analgesic length of Extradural Bupivacaine and Paracetamol individually and in a combination in patients undergoing major spinal surgery

2016

Evaluation of Medical students' insight about Anesthesiology

2016

COMPARISON OF DEXMEDETOMIDINE AND IDAZOLAM AS ADJUVANTS TO INTRATECHAL BUPIVACAINE ON THE DURATION OF BLOCK IN OPIUM ADDICTED PATIENTS CANDIDATE FOR LOWER EXTREMITY SURGERY

2016

Evaluation of the effect of dexmedetomidine on the acute hemodynamic responses, duration of seizure activity and recovery times in patients undergoing ECT

2016

Evaluation of dexmedetomidine as an adjuvant to intrathecal bupivacaine in opioids addicted patients, candidate for lower extremity surgery

2016

EVALUATION OF ESMOLOL EFFECT ON HEMODYNAMIC INDICES, CONVULSION DURATION AND RECOVERY TIME IN ELECTRO-CONVULSIVE THERAPY (ECT)

2016

Foreign body stocked between vocal cords

2016

DIDMOAD (Wolfram) syndrome

2016

Magnesium versus bupivacaine infiltration in controlling postoperative pain in inguinal hernia repair

2015

Comparing the effects of bupivacaine and magnesium sulfate on postoperative pain in patients undergoing unilateral inguinal herniorrhaphy

2015

Effect of depth of general anesthesia on the threshold of electrically evoked compound action potential in cochlear implantation

2015

Do the concentration and volume of local anesthetics affect the onset and success of infraclavicular anesthesia?

2015

Antimicrobial activity of four medicinal plants widely used in Persian folk medicine

2015

Sedation for non-invasive diagnostic procedures in pediatrics: The comparison between oral midazolam, ketamine and chloral hydrate

2015

Reduction in labor pain by intrathecal midazolam as an adjunct to sufentanil

2014

Long-term relapse of ultra-rapid opioid detoxification

2014

The effect of magnesium sulfate on sore throat following surgery in patients undergoing general Anesthesia

2013

Evaluation of the Effects of intra-incisional bupivacaine in post operative pain after abdominal hysterectomy

2013

Comparison of tizanidine and placebo on the postoperative pain after lumbar disc surgery

2013

The effect of adjuvant midazolam compared with fentanyl on the duration of spinal anesthesia with 0.5% bupivacaine in opium abusers

2012

Paper No: 205.00 Remifentanil as main anesthetic in cataract surgery

2012

Paper No: 60.00 A comparison of knowledge retention between online and in-class problem-based learning

2012

Remifentanil as main anesthetic in cataract surgery

2012

HISTORY AND EDUCATION

2012

ANESTHESIOLOGY OR SURGERY: IS SPECIALISTS'SATISFACTION THE SAME FROM THESE TWO SPECIALTIES?

2012

Evaluation the efficacy of IV dexamethasone on post puncture headache incidence after cesarian section

2011

Effect of ultra-rapid opiate detoxification on withdrawal syndrome

2010

Comparison of the Role of Intrapleural Bupivacaine Injection with Intravenous Morphine in the Management of Post-Operative Pain after Open Cholecystectomy

2010

Evaluation of intravenous tranexamic acid effects on bleeding, duration of surgery and surgeons satisfaction in endoscopic sinus surgery

2010

Comparing cuff pressure changes in two types of endotracheal tube

2009

Dexamethasone plus Metoclopramide for prevention of postoperative nausea and vomiting in patient undergoing Adenotonsilectomy-a comparison.

2009

Evaluation of effect of midazolam added to bupivacaine on postoperative pain in cesarean section

2009

Studying effect of Intrathecal Midazolam on Acute Pain Score in Comparison with Fentanyl in Lower Limb Fractures (below the Knee)

2009

Application of polypyrrole coated stainless-steel wire to the headspace solid-phase microextraction of aliphatic amines

2008

EVALUATION OF TWO METHODS OF GENERAL ANESTHESIA WITH PROPOFOL AND ISOFLORANE IN PATIENTS ON UROD

2007

Remifentanyl in Electro-Convulsive Therapy: A Comparative Double-Blind Study

2006

Effect of Alfentanil on the hemodynamic changes (Heart rate, blood pressure) following laryngoscopy

2005

THE EFFECT OF NITROUS OXIDE ON LARYNGEAL MASK CUFF PRESSURE

2004

COMPARISON OF DEXAMETHASONE AND METOCLOPRAMIDE ON PREVENTION OF POST ADENOTONSILECTOMY NAUSEA AND VOMITING

2004

The evaluation of physicochemical and microbial status of traditional ice creams in Zahedan

2003

EFFECTS OF INTRAVENOUS FLUID THERAPY ON ADVERSE EVENTS OF OUTPATIENT SURGERIES

2003

Publications in Persian

2021

Disposition over Surgical Bolsters,

2019

Evaluation Dexmedetomidine effects on serum antioxidants level

2019

Bilateral vocal cord paralysis following surgery for a fourth ventricle tumor.

2019

Case Report: Bronchoscopic Approach to Treat Pulmonary Atelectasis

2019

Comparing the effect of oral oxycodone and intravenous ketorolac on postoperative pain of laparoscopic cholecystectomy.

2018

A short review of the Limb Girdle Muscular Dystrophy (LGMD) in a 28year-old lady suffering LGMD undergoing caesarian section.

2018

Comparison of laryngeal mask airway and spiral endotracheal tube on the amount of hypnotic and narcotic used to maintain depth of anesthesia at a constant level in rhinoplasty

2017

A case report of anaphylactic shock following hydatid cyst surgery.

2017

Anesthetic considerations of Hereditary Spherocytosis

2017

Comparing the effects of adenosine and verapamil on Paroxysmal Supra-Ventricular Tachycardia (PSVT).

2016

Comparison of post-operative analgesic length of Extradural Bupivacaine and Paracetamol individually and in a combination in patients undergoing major spinal surgery.

2016

Evaluation of Medical students' insight about Anesthesiology.

2016

Evaluation of esmolol effect on hemodynamic indices, convulsion duration and recovery time in Electro-Convulsive Therapy (ECT).

2016

Evaluation of dexmedetomidine as an adjuvant to intrathecal bupivacaine in opioids addicted patients, candidate for lower extremity surgery.

2016

Studying the effect of dexmedetomidine on hemodynamic changes, seizure duration, and recovery in patients eligible for electroconvulsive therapy (ECT)

2016

Comparison of dexmedetomidine and midazolam as adjuvants to intrathecal bupivacaine on the duration of block in opium addicted patients, candidate for lower extremity surgery.

2016

Evaluating the effects of inhalational and intravenous anesthesia on hemodynamic variables and recovery time in direct laryngoscopy.

2016

Sedation for non-invasive diagnostic procedures in pediatrics: The comparison between oral midazolam, ketamine and chloral hydrate.

2015

Comparison of the effect of local injection of bupivacaine with magnesium sulfate in pain control after unilateral inguinal herniorrhaphy.

2013

Comparison of tizanidine and placebo on the postoperative pain after lumbar disc surgery.

2009

Studying effect of Intrathecal Midazolam on Acute Pain Score in Comparison with Fentanyl in Lower Limb Fractures (below the Knee).

2009

Evaluation of effect of midazolam added to bupivacaine on postoperative pain in cesarean section.

2006

Remifentanyl in Electro-convulsive therapy: a comparative double-blind study.
